

SPIRIT PROFILES

# PROOF

COLLECTION

The Proof Collection offers an array of oak alternatives designed for a broad spectrum of spirits. Our proprietary fire toast profiles give distillers everything they need to accentuate new and bold flavors.

## MEDIUM PLUS FIRE FRENCH OR AMERICAN OAK

*A quick, high-fire and high-temperature toast.*

## HEAVY FIRE FRENCH OR AMERICAN OAK

*An extended, medium-high flame toast resulting in an even darkness.*

## CHAR FRENCH OR AMERICAN OAK

*Our Multi-Char process is a high-temp toast with high fire contact.*

## CUSTOM TOAST FRENCH OR AMERICAN OAK

*We'll work together to achieve your flavor goals.*

PERFECTING  
YOUR PROFILE

## PRODUCT

LINES

We offer a variety of products in different formats and toasts to suit your spirit making intent, timeframe and budget. These products ensure precision of profile from one year to the next. All our products are made from Center of France oak air-dried for a minimum of two years.
